WHO WE ARE

A formulation-first contract manufacturer

Vynza Pharmaceuticals Private Limited is a formulation-first contract manufacturer of nutraceuticals, proteins and Ayurvedic products in Mohali, Punjab, India. We make 8 dosage forms for brands, from 350+ ready formulations or from your own brief, and every formulation is checked against FSSAI limits before it reaches a bench sample.

What we make

Tablets	Film-coated, chewable, effervescent and sustained-release.
Capsules	Hard gelatin and HPMC capsules.
Syrups and oral liquids	Sugar-based and sugar-free, including Ayurvedic liquids.
Oral drops	Vitamin D3, multivitamin and paediatric drops.
Powders	Protein, greens, collagen and pre-workout, tubs 250 g to 2 kg.
Sachets	Three-side and four-side seal, 1 g to 100 g.
Stick packs	Single-serve, 0.5 g to 50 g.
Ayurvedic oils and balms	Tailas, balms and roll-ons made to AYUSH-GMP.

Sachet and stick pack line: 25 lakh sachets and stick packs a month.

How a project runs

01 Brief	A call or a WhatsApp message. We ask about the concept, the audience, the format and the launch date.
02 Formulation proposal	Within 48 hours you receive a proposal: composition, doses, FSSAI status, packaging options.
03 Bench sample	A bench sample in 10 days for you to evaluate.
04 Artwork and label review	We review your label against FSSAI rules and finalise the pack.
05 Production and dispatch	Standard batches dispatch within 30 days of artwork and advance approval, with batch records and certificates of analysis.
06 Repeat batches	Reorders on a schedule you set, made to the same approved formula and specifications.

Timelines

Formulation proposal	Within 48 hours of your enquiry.
Bench sample	Within 10 days of a signed brief.
Dispatch	Within 30 days of artwork and advance approval, for a standard batch.

Minimum order

Low MOQ: start from 1,000 units per SKU, and scale as your brand grows, with no lock-in. Exact minimums depend on the dosage form, the pack type, the label run and whether the product is a stock formulation or a custom formula, and are confirmed on the call.

Quality and certifications

We manufacture to WHO-GMP, GMP, AYUSH-GMP, ISO 9001:2015, ISO 22000, FSSAI Central Licence, HACCP. FSSAI Central Lic. No. 10826999000523. Certificate copies of the other certifications are shared on request. Every batch ships with a certificate of analysis, released on identity, assay, moisture, microbial and heavy-metal testing.

Branded ingredients

We manufacture with 50+ branded ingredients. Tell us your formulation and we source the genuine branded ingredient from the brand owner or its distributors, with the brand's certificate of analysis.
