HOW TO READ THIS CATALOGUE

Ready formulations, by therapeutic category

At Vynza Pharmaceuticals Private Limited, we make every formulation below at our facility in Mohali, Punjab, as a nutraceutical or an Ayurvedic product, in the dosage form shown. Ingredients are listed without doses. Doses, specifications and FSSAI or AYUSH status are shared on the call or on WhatsApp once we know your product plan. Every formulation is checked against FSSAI limits before it reaches a bench sample.

Brands can launch a formulation as it stands under white label, or adjust it under private label. A formulation proposal follows within 48 hours of your enquiry and a bench sample within 10 days of a signed brief. This is a selection: the full library of 350+ ready formulations is online at https://vynzapharma.com/formulations/.
